Enterprise Funds

GOLF

Golf courses projected to operate at a \$40-\$60k loss in 2016

- 11,100 fewer rounds played in '16 vs '15
 - Rounds/Revenue decreased due to weather
- '16 operating expenditures consistent with '15
- 14 fewer outings with 1,078 fewer players

Unrestricted Golf Fund balance projected to be \$261,000 at end of 2016

- Fund balance equal to 21% of 2017 expenses
- Fund balance was \$135,474 in 2012

GOLF

2017 Golf Budget Highlights

- \$75,000 to resurface Potter's parking lot (General Fund)
- \$30,000 to replace roof at Potter's Park (General Fund)
- Acquisition of used maintenance equipment from recently closed Weatherwax Country Club (\$15,000)

GOLF

2017 Golf Operation Goals

- Increase outings to 2015 levels
- Operate beverage cart on weekends
- Incentive structure to increase league play
- Implement standard contracts for outings
- Address Potter's Park irrigation issues
- Improve appearance of clubhouse areas

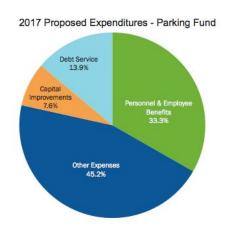

PARKING

Capital Investment in 2016/2017

- McDulin Garage Restoration \$1.625mm 2016
- Metering Improvements or add Parking Kiosk-\$6.7k in 2017
- Parking pick up truck \$31,000
 in 2017 or 2018
 - To replace truck from 1997
- \$150,000 for Ludlow/3rd surface lot

PARKING

Parking Spot Analysis

Major changes to surface lot parking

- High/MLK Lot Potential Decrease by 193
- Market/Riverfront Lot Decrease by 109
- New Ludlow/3rd Lot Adds 190

• 2016/2017 Performance and Outlook

- 2016 has been a stable year and the Parking Fund is able to pay for additional construction costs at the McDulin Garage (125K).
- 2017 has a small deficit of approximately \$48,000
 (without purchase of the truck it would be \$17,000)

Special Revenue Funds

REFUSE

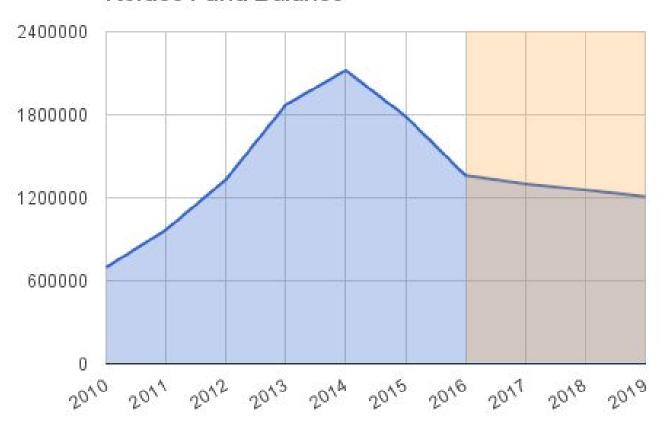

\$1.25/month rate increase for 2017

Generates approximately \$315,000 annually

Will cover the following costs in the Refuse Fund:

- QST \$125,000
- Ongoing operations in the Refuse Fund and Street employees performing alley clean up – \$190,000
 - The City's 25% contribution for resident's tip fees at Transfer station is being eliminated
 - Missing Cart Replacements approximately \$15,660 (261 Carts)

Refuse Fund Balance

Monthly Rates

2010 - \$13.35

2011 - \$13.80

2012 - \$14.10

2013 - \$14.40

2014 - \$14.70

2015 - \$14.70*

2016 - \$15.00

2017 - \$16.55**

2018 - \$16.85

2019 - \$17.15

*new 5 year extension negotiated with Rumpke **- includes proposed \$1.25 per month increase

REFUSE

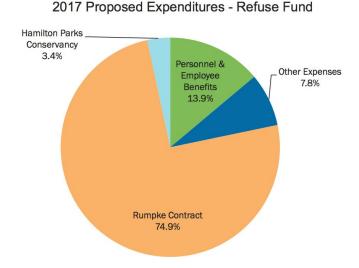

Breakdown of Refuse Fund Expenses

Revenue breakdown - 74.9% of funds spent out of Refuse go toward our contract with Rumpke. 3.4% is used for trash pickup within the parks through the Parks Conservancy and the remaining funds are used for the QST, ongoing Refuse Fund operations, and Streets employees performing alley clean up

Long term outlook of Refuse fund

Future Rumpke contract changes in 2019

STORMWATER

Street Sweeping and Leaf Pickup

2017 Proposed Budget includes purchasing 2 additional street sweepers and an additional leaf machine-\$475,000 total in 2017

The addition of these new capital assets will further improve our ability to provide these service in an efficient and effective manner.

In 2017 we will be developing a new master schedule for street sweeping

STORMWATER

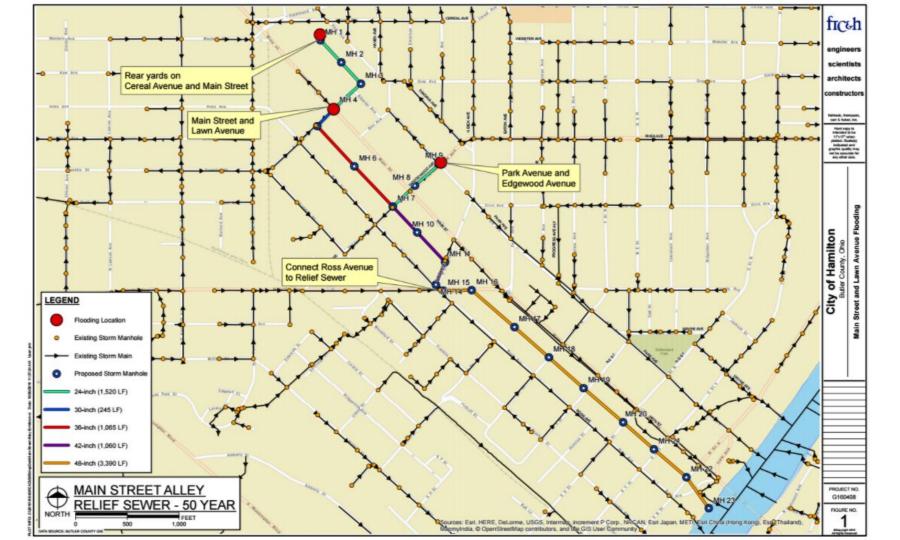

Capital Projects:

South Hamilton Crossing - 2016/2017 \$3.80mm (30 Years, 2.13%, \$175,000 D/S) Main Street/Lawn Ave Storm Sewer project - 2017 \$5.00mm (TBD) Sports Complex - 2017 \$1.2mm (30 Years, 2.13%, \$54,000 D/S)

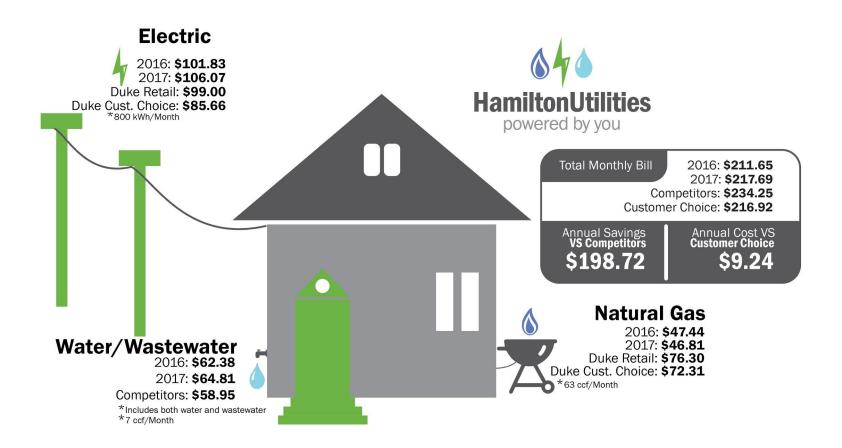

Long term outlook of Stormwater Fund

Fund will remain stable in 2017 and 2018 under current rate structure with the addition of approximately \$10.0 million in new debt.

2017 Average Utility Customer Bill Comparison

Major Capital Investments in 2017

Electric

Replaces ~600 high risk poles a year

Main Street and SHX Lighting Improvements

Water

Water Main Replacement Program

■~3 miles of mains replaced

Wastewater

Main Replacement and Lining Program

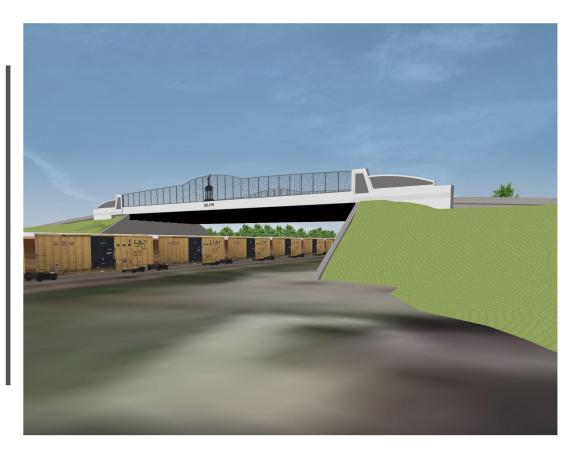

■~3 miles lined and ~2 miles replaced

Gas Main Replacement Program

~3 miles of mains replaced

Major Capital Investments in 2017

Replacement and relocation of Electric, Water, Wastewater, and Gas utility infrastructure as part of SHX

Utility Capital Investments in 2017

Sources

			0001003		
	Total	Revenues	Fund Balance	Loans	
Electric 4	\$9.43m	\$1.20m	\$8.23m	-	
Water 6	\$6.49m	\$1.62m	\$0.87m	\$4.00m	
Wastewater 6	\$3.47m	\$1.42m	\$0.61m	\$1.44m	
Gas \delta	\$3.38m	\$1.55m	-	\$1.83m	
Total -	\$22.77m	\$5.79m	\$9.71m	\$7.27m	

Continuing to Balance General Fund

Aligning spending with strategies

Continued focus on reinvesting in the City

Accelerating neighborhood development

Investing in amenities to attract Hamilton-area workforce

Funding basic service increases (Police, Fire, QST)

Focus organizationally remains on being lean, well-organized and laser-focused on continuous improvement and values

Future Meetings

December 21, 2016 - Second Reading
6pm in Council Chambers
